

Make **REFINISHING**
& **RESTORING** Your
Exterior Wood **EASY!**

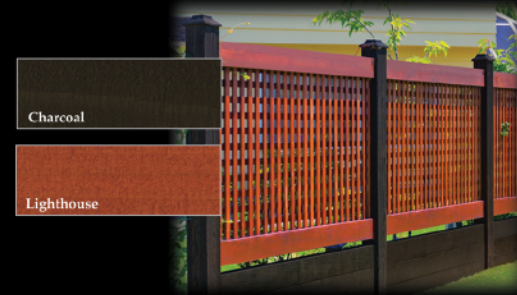

Weather and time can make wood
look dingy and gray well before
its replacement time.

The TWP® Companion Product series
is your answer for bringing your wood
back to looking like **NEW!**

- Safe-Strip Prepares Previously Stained Wood for any Type of Finish or Re-coating
- Restore-A-Deck Restores Weathered Wood to its Natural Color
- Easy to Use & Eco-Friendly

Your Color Scheme Options
are **ENDLESS** with the
TWP® Semi-Solid Tintable
Exterior Wood Stain Line!

- DECKS
- SIDING
and SHINGLES
- ROUGH SAWN CEDAR
- LOG HOMES
- FENCES
- SHAKES
and FASCIA

Each container should **ALWAYS** be checked for
accuracy prior to application. Colors will have a
slightly different appearance on different surfaces
due to the variability of wood species and lighting.
